

Dear
Parents,

New! 
Virtual
School Gift Shop

We are inviting you and your child to participate in the upcoming VIRTUAL Holiday Shop program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends from the comfort of their home! We believe this program will create wonderful memories for your child while teaching them to budget their money and make their own decisions. With your help, your child can log into our school specific website where they will be able to view and purchase a large variety of gifts in many different price ranges. The children will be able to view different items to purchase online and add to the cart before checking out. And remember no peeking at what your Child is getting you!
